

## COVER LETTER

This Cover Letter Is an Undertaking Given By the Corresponding Author

TO,  
The Managing Editor,  
The Journal of Excipients and Food Chemicals

Respected Sir,

Reference:

<b>Title</b>	Understanding the implications of pharmaceutical excipients and additives in the treatment of diabetic foot ulcers
<b>Type</b>	Review article
<b>Authors</b>	V V S Narayana Reddy Karri, Gowthamarajan Kuppusamy, Shashank Mulukutla, Sumeet Sood and Rajkumar Malayandi

In our current submission to the esteemed, The Journal of Excipients and Food Chemicals, we have provided a critical scientific review on the application of Pharmaceutical excipients in the treatment of Diabetic foot ulcers (DFUs). We believe that this particular review work would be informative and resourceful in the field of Pharmaceutical product design and development with respect to DFUs. We are confident that our manuscript, when accepted will serve as scientific guidance to the readers and will be widely and frequently cited. We, therefore, expect that your esteemed journal will provide the platform for the dissemination of our work to the research community. We believe that this manuscript is appropriate for publication by The Journal of Excipients and Food Chemicals.

With reference to the above subject, I as a corresponding author, submit the manuscript for publication in the Journal of Excipients and Food Chemicals. This manuscript has not been published or considered for publication by any other journal or elsewhere. We declare no conflict of Interest. We accept all the terms and conditions of Journal of Excipients and Food Chemicals to the best of our knowledge.

**Yours sincerely**

Dr. K. Gowthamarajan
